

1250 Distribution Box

Overview

UKK-125A Application Conduct Electricity Character Environmental Protection Species Terminal Production Process Injection Molding Shape Square Interface Type AC/DC Certification UL, ISO Brand Smico Rated Current 1250A Rated Voltage 1000V Input Size 2*185-400mm² Output Size. UKK-125A Application Conduct Electricity Character Environmental Protection Species Terminal Production Process Injection Molding Shape Square Interface Type AC/DC Certification UL, ISO Brand Smico Rated Current 1250A Rated Voltage 1000V Input Size 2*185-400mm² Output Size. ew Power Distribtution Box Terminal Blocks" style="box-sizing: border-box; border: 0px; max-width: 100%; display: block; aspect-ratio: 790 / 3144;">, cabinet and various high voltage cabinet. An electric power distribution terminal block is a convenient, economical and safer way to distribute power. Tinned copper or aluminum block allows for copper or aluminum conductor direct connections, or using ferrule Screw retaining cover is hinged and removable Design allows for visual inspection of conductor and confirmation of connection Modular snap-together blocks for building multi-pole power. These Single Pole UKK 1250A Power Distribution Box Terminal Block have multiple approvals for use with aluminium and copper conductors. Also provides optional custom branding, and custom industrial packaging is also available for product delivery. The conductor is made of excellent brass. YB series type substation, commonly known as European transformer, is the high-voltage electrical equipment, transformer, low-voltage electrical equipment combination of compact sets of power distribution equipment for urban high-rise buildings, urban and rural areas, residential neighborhoods. Table 6-47 list the DPD125-12-24 components and quantities. The power distribution box can convert 6 or 12 DC input lines into 24 output lines. It can be used in equipment room that cannot provide enough power lines. You can change the power system of the product to 6-channel input and 24-channel.
