

599 Fiber Optic Connector

Overview

The J599 outdoor waterproof fiber optic connector features three threaded quick connections and is designed with five keys for positioning, including blind-mating, anti-corrosion, and anti-vibration functions. It is constructed from 316L stainless steel, which can be adapted to various harsh. Military-grade J599 MT Series connectors for harsh environments. Ideal for aerospace and defense. Pricing (USD)

Filter the results in the table by unit price based on your quantity. 5M Amphenol Sachsenkabel 1: \$248. 08 A tariff of 12 % may be applied if shipping to the United States. A tariff. 599I product is a circular optical fiber aviation plug connector, featuring compact size, light weight, high-density layout, and stable and reliable connection.
