

Andorra Imported Active Optical Device 800G

Overview

The 800G QSFP-DD Active Optical Cable is designed for 800 Gigabit Ethernet links over OM4 multimode fiber. This cable is compliant with IEEE 802.3ck, QSFP-DD HW Specification Rev 6. The built-in digital diagnostics monitoring (DDM) allows access to real-time. What is HS code 901380?

HS code 901380 includes Optical, photographic, cinematographic, measuring, checking, precision, medical or surgical instruments and apparatus; parts and accessories thereof - Lasers, other than laser diodes; other optical appliances and instruments, not specified or included. Volza's Big Data technology scans over 2 billion Import shipment records in Andorra to identify top & new suppliers, economical sourcing, and profitable products. Andorra's key import sectors include vehicles, electronics, pharmaceuticals, food and beverages, and consumer goods. search for the specific rules and regulations applicable to your product and its country of origin in the My Trade Assistant. To view requirements for your product you. Sell Andorra Overseas Warehouse Laser Diodes 800G in bulk to verified buyers and importers. Tendata global trade data platform provides more than 10 billion import and export trade records from 228+ countries and regions, including Andorra, with 500 million in-depth company info and 850 million enterprise contact information to help customers find new customers and profitable products.
