

Bhutan fiber optic KVM manufacturer

AI Overview

Matrox KVM extenders are available in Bhutan through distributors like Genesis Technologies, offering fiber optic solutions for high-performance remote control applications. Local Distributors and Providers Genesis Technologies Limited acts as a distributor for NTI KVM switches in Bhutan, providing access to high-quality KVM solutions suitable for enterprise and industrial applications. NLFS (Fiber Optic Services) offers a wide range of fiber optic products, including connectors, cables, and networking devices, and provides installation, splicing, and testing services in Bhutan. While NLFS focuses on fiber network infrastructure, they may support KVM integration over fiber for custom setups.

International KVM Brands Available in Bhutan

Matrox is a leading manufacturer of fiber optic KVM extenders and switches. Their product line includes:

- Extio 2 Series: Fiber-optic point-to-point KVM extenders supporting multi-monitor remote workspaces with uncompressed data transmission.
- Extio F2408 / F2208: Quad- and dual-monitor support over single-mode or multi-mode fiber, including USB HID and stereo audio.
- Extio N3408 / N3208: DisplayPort IP KVM extenders for networked or point-to-point setups.
- KMLync USB switch: Allows control of multiple systems with a single keyboard and mouse.

These products are suitable for mission-critical applications, including control rooms, broadcast studios, medical facilities, and enterprise IT environments.

How to Source Fiber Optic KVM in Bhutan

Contact local distributors like Genesis Technologies for NTI KVM products. Engage with NLFS for fiber infrastructure and potential integration of KVM extenders. Explore international brands such as Matrox, which can be supplied through authorized distributors or system integrators in Bhutan.

Summary

For fiber optic KVM solutions in Bhutan, the main options include Matrox KVM extenders and NTI KVM switches distributed locally by Genesis Technologies. NLFS provides complementary fiber optic infrastructure services that can support KVM deployment...
