

Cable tray installation costs in Brunei

AI Overview

Cable trays in Brunei typically range from BND 20 to BND 150 per unit, depending on material, size, and type.

Price Overview

Mild Steel Cable Trays: Local suppliers in Brunei, such as Brilltech Engineers, offer mild steel cable trays at affordable prices, generally starting around BND 50–100 per standard length depending on dimensions and load capacity.

PVC Cable Trays: Premium PVC FRLS trays, such as 45x25x500mm ducts, are available through international e-commerce platforms with delivery to Brunei. Prices for these trays, including shipping, import duties, and local delivery, typically start around BND 20–50 per unit.

Hot-Dip Galvanized Ladder Type Trays: Standard 2.4-meter lengths are commonly used in electrical projects. Prices vary by supplier and specifications, but they generally fall within BND 80–150 per tray.

Additional Considerations

Fittings and Accessories: Cable tray fittings (elbows, tees, reducers) are priced per piece and can add to the overall cost. Expect BND 10–30 per fitting depending on type and size.

Delivery and Handling: Local suppliers often include delivery to project sites in Brunei, while international orders may include shipping, customs clearance, and import duties.

Bulk Orders: For large projects, suppliers like Berakas Power Company Sdn Bhd provide firm pricing inclusive of all costs, which may reduce the per-unit price for bulk purchases.

Supplier Options

Local Manufacturers and Suppliers: Brilltech Engineers and other Brunei-based suppliers offer mild steel and standard cable trays with local support.

International E-commerce: Platforms like Desertcart provide PVC cable trays with full delivery and warranty coverage to Brunei.

Project-Specific Procurement: For large-scale projects, companies like Berakas Power Company handle procurement with detailed specifications and protective packaging.

In summary, the cost of a cable tray in Brunei depends on material, size, and supplier, with mild steel trays generally costing more than PVC, and standard ladder-type galvanized trays priced higher for industri...
