

Cable tray manufacturers have

AI Overview

Top cable tray manufacturers in North America include MP Husky, Atkore (US Tray), Legrand, Eaton, and Southwire, offering a wide range of materials and types compliant with industry standards. Leading Manufacturers MP Husky is a founding member of the USA Cable Tray Institute and has over 55 years of experience in designing and manufacturing cable tray systems. They offer aluminum, stainless steel, galvanized steel, fiberglass, PVC-coated, single rail, and wire mesh cable trays. Their products meet NEMA, UL, CTI, and CSA standards and are widely used across industries in the US and globally. Atkore (US Tray) specializes in made-to-order cable trays built per NEMA standards and UL certified. Their product line includes wire basket trays (Eagle Basket), I-beam trays, and C-channel swage trays. They emphasize airflow, dust protection, and easy installation with features like Quick Latch™ self-splicing bars. Atkore products are manufactured in the US and comply with Buy America and Buy American requirements. Legrand provides a comprehensive range of cable management solutions, including cable trays, raceways, and accessories, serving construction, telecommunications, and energy sectors. Their systems are designed for durability, safety, and long-term performance. Eaton (Cooper Crouse-Hinds division) offers industrial, commercial, and residential cable tray solutions, including ladders, trays, and connectors. Eaton focuses on high-quality, standards-compliant products suitable for diverse applications. Southwire is a major North American manufacturer of wire and cable products, including cable trays. They provide solutions for industrial and utility sectors, emphasizing compliance with safety and performance standards. Additional Notable Manufacturers Other recognized US manufacturers include Snake Tray, Chalfant Manufacturing, Creative Composites Group, PUPCO, ABB, and Basor. These companies offer specialized cable tray systems, including ladder, solid-bottom, and...
