

Complete electrical distribution boxes manufacturer in the UAE

AI Overview

Several reputable manufacturers and suppliers of electrical distribution boxes operate in the UAE, including BlueDot Trading LLC, Al Safeenah, Al Shurooq, Schneider Electric, and TOSUNlux. Local Manufacturers

BlueDot Trading LLC: A leading UAE-based manufacturer specializing in distribution boards (DB Panels) for residential, commercial, and industrial applications. They offer customized solutions with advanced features such as surge protection, ground fault protection, and arc fault protection, ensuring safety and reliability.

Al Safeenah: Produces high-quality distribution boxes made from carbon steel, stainless steel, or thermoplastic. Their products are designed for durability, corrosion resistance, and weatherproofing (IP65/IP66), suitable for construction sites, industrial plants, telecommunications, commercial buildings, and renewable energy installations.

Al Shurooq: Focuses on a wide range of electrical enclosures, including distribution boards, LV switchgear panels, control cubicles, and marshalling boxes. They provide both standard and bespoke solutions using CNC machinery, offering robust protection against fire, corrosion, and environmental stress.

International Manufacturers with UAE Presence

Schneider Electric: A global leader headquartered in France with a strong local presence in the UAE. They provide a comprehensive range of distribution boards, circuit breakers, switches, and control systems tailored for industrial and commercial applications, emphasizing safety, efficiency, and sustainability.

TOSUNlux: A Chinese manufacturer exporting distribution boards to the UAE. They offer durable plastic and metal distribution boards suitable for residential and industrial use, with a focus on quality, modularity, and compliance with international standards.
