

Fiji has the capability

Overview

Fiji ranks 151st in the 2026 Military Power Rankings. The Republic of Fiji Military Forces (RFMF) are primarily tasked with national defense, internal stability, and a long-standing commitment to international peacekeeping operations, particularly under the United Nations. The plan was officially unveiled today at an RFMF event. The Minister for Foreign Affairs and External Trade, Hon. Sakiasi Ditoka, has secured tangible defence, security and economic opportunities for Fiji following strategic discussions with UK Minister of State for the Ministry of Defence, Lord Coaker on margins of the 26th Commonwealth Foreign Affairs. 2050 has been formulated as a blueprint for progress and prosperity for our nation. Despite its small size. The Global Military Index measures Fiji's overall military capability on a 0-100 scale, based on verifiable data across six dimensions. Weighted by ship type: carriers, submarines, destroyers. Methodology: Log-scaled composite index using.
