

## Five-pole distribution box

### Overview

Compatible with 15A, 30A, and 45A Anderson Powerpole connectors, this compact powerhouse delivers reliable, low-loss, high-current performance up to 50A continuous. Perfect for ham radio, mobile rigs, or fixed setups, this block simplifies connecting multiple devices. Find a huge range of M12 Connector - 5 Pole Sensor Distribution Boxes at Newark Electronics. Built from durable ABS plastic with a clear lid, this IP65-rated breaker box safeguards against dust, water, and impact damage. Compact yet versatile, it includes a DIN rail and mounting brackets for quick installation. Product information: "Wall mounted distribution box 2x 16A 5-pole 400V CEE 3x 230V Schuko IP65" This construction power distributor is used in industry, warehouses, production halls, construction sites and many other areas and is ideal for surface mounting. IP65 ABS/PC housing ensures waterproof, dustproof, and high impact resistance for long service life. Suitable for integration with fuse, SPD, disconnect, or breaker in PV combiner or distribution. WIDE RANGE OF USE: The din rail enclosure can be installed indoor and outdoor, suitable for solar power generation system, electric vehicle charging station, etc. It is widely used in homes, workshops, hotels, shopping malls, power stations and other places This 5-way circuit breaker protection box.
