

Gao an Photovoltaic Cable Tray Company

AI Overview

Gao'an and nearby regions in China host several manufacturers capable of producing high-quality photovoltaic cable trays, including aluminum alloy and galvanized steel options. Key Manufacturers and Capabilities

CANHOPE CANHOPE specializes in photovoltaic supports and cable trays, offering self-locking reinforced PV cable trays. Their products are modular, standardized, and made from Al-Zn-Mg coated steel, combining durability and corrosion resistance. CANHOPE emphasizes strict quality management, national standards compliance, and full-service support from design to after-sales service, making them suitable for large-scale solar projects.

Guangdong Yuchang Technology Co., Ltd. This company produces cable trays, ladders, and solar mounting systems with over 30 years of experience. They operate automated production lines capable of producing up to 20,000 meters per day, supporting both domestic and international projects. Their products are widely used in photovoltaic power stations, commercial buildings, and infrastructure projects, and they offer ODM and OEM customization.

Kam Tai Products Headquartered in Hong Kong with factories in Guangdong, Kam Tai Products provides cable containment systems including cable trays, ladders, baskets, and U-channel supports. They focus on automation, high production efficiency, and quality control, making them a reliable supplier for large-scale construction and solar projects.

Product Types and Materials

- Aluminum Alloy Cable Trays:** Lightweight, corrosion-resistant, suitable for rooftop solar installations.
- Al-Zn-Mg Coated Steel Trays:** Combines aluminum durability with zinc electrochemical protection, ideal for outdoor PV systems.
- Galvanized Steel Trays:** Cost-effective, widely used in commercial and industrial solar projects.

Considerations for Selection

- Production Capacity:** Ensure the manufacturer can meet project volume requirements.
- Customization:** Check if the supplier can provide tailored tray sizes, load ratings, and accessories.
- Quality Standards:** Look for ISO certifications, complia...
