

How much does a Portuguese cable tray cost

AI Overview

Cable tray prices in Portugal vary widely, typically ranging from €1 to €80 per unit depending on material, type, and application. Price Overview Cable trays in Portugal are available in various materials such as steel, stainless steel, aluminum, and fireproof FRP, with prices influenced by durability, load capacity, and installation requirements. For B2C purchases, small-scale trays for home or office use generally cost between €15 and €34 per unit, while industrial-grade trays can range from €1 to over €76 per unit when purchased in bulk for construction or data center projects.

Types and Materials Ladder-type trays: Common for heavy-duty industrial applications; made from steel or stainless steel. Solid-bottom trays: Suitable for sensitive cabling requiring protection from dust or debris. Wire-mesh trays: Lightweight, flexible, and ideal for data cabling or retrofit installations. Outdoor trays: Weather-resistant materials for exposed environments.

Accessories such as covers, connectors, supports, and joints are often sold separately and can add to the total cost.

Suppliers in Portugal Several domestic and international suppliers operate in Portugal: Group Sumi: Offers a wide range of cable trays and accessories for residential, commercial, and industrial installations, with online ordering and fast shipping. Jeetmull Jaichandlall: Recognized as a top cable tray manufacturer and exporter in Portugal, providing competitive pricing. Europages listings: Connects buyers with multiple Portuguese manufacturers and wholesalers for bulk or specialized orders.

Market Trends The Portuguese cable tray market is experiencing moderate but stable growth, driven by infrastructure modernization, renewable energy projects, and industrial automation. Prices are influenced by raw material costs, technical specifications, and compliance with safety standards. The market fa...
