

How much does a cable tray cost in Ireland

AI Overview

Cable tray prices in Ireland typically range from €20 to €150 or more, depending on material, size, and duty rating. Price Overview Cable trays in Ireland vary in price based on material, size, and load capacity. Common types include: Galvanized steel trays: Medium-duty trays often start around €20–€50 per meter, suitable for general industrial or commercial use. Aluminum trays: Lightweight and corrosion-resistant, prices generally range from €30–€80 per meter. Wire mesh trays: Flexible and easy to install, typically priced €25–€70 per meter. Ladder-style trays: Designed for heavy-duty applications, prices can exceed €100 per meter depending on width and load capacity. Suppliers in Ireland Several suppliers offer cable trays with online ordering and delivery: Electrical Wholesaler Ireland: Offers a wide selection of durable cable trays for domestic and industrial use with competitive pricing and fast delivery. Dwyers Electrical: Provides local delivery to selected Eircodes and a lowest-price promise for online purchases. RS Components Ireland: Stocks various cable management solutions including wire trays, ladder trays, and single rail trays for commercial and industrial applications. Wesco Electrical LTD: Specializes in medium-duty galvanized cable trays with express delivery options. Additional Considerations Accessories: Couplers, brackets, and supports may add to the total cost. Installation: Open-style trays are easier to install and maintain than conduit systems, potentially reducing labor costs. Bulk Orders: Purchasing in larger quantities may reduce per-meter costs. For the most accurate pricing, it is recommended to check supplier websites or request a quote, as prices can vary based on specifications, delivery location, and current stock availability.
