

Huijue Cable Stainless Steel Cable Tray Price

AI Overview

Huijue stainless steel cable trays typically range from \$10 to \$25 per meter, depending on material grade, tray type, size, and order quantity.

Price Range and Factors

The cost of Huijue stainless steel cable trays is influenced by several key factors:

- Material Grade:** Stainless steel trays are commonly available in 304 and 316 grades, with 316 offering higher corrosion resistance and slightly higher cost.
- Tray Type:** Ladder-type trays are generally more expensive than perforated or solid-bottom trays due to material usage and structural support requirements. Solid-bottom trays, offering maximum protection, are the most costly, often 20–40% higher than perforated or ladder types.
- Dimensions:** Widths range from 50mm to 900mm, with deeper or wider trays costing more due to increased material usage.
- Surface Finish:** Polished or coated finishes for enhanced corrosion resistance can increase the price.
- Order Quantity:** Bulk orders can reduce costs by 20–40%, especially when sourced directly from manufacturers or distributors.
- Additional Costs:** Shipping, installation, and accessories (couplers, bends, risers) add to the total project cost.

Typical Cost Estimates

- Small, perforated trays (50–150mm width): Approximately \$10–\$15 per meter.
- Medium ladder trays (225–450mm width): Approximately \$15–\$20 per meter.
- Large solid-bottom trays (600–900mm width): Approximately \$20–\$25 per meter.

Cost-Saving Tips

- Bulk Purchasing:** Ordering larger quantities directly from manufacturers can significantly reduce per-meter costs.
- Material Selection:** For non-corrosive environments, 304 stainless steel may be sufficient, avoiding the higher cost of 316 grade.
- Tray Type Optimization:** Using perforated trays instead of solid-bottom trays where full protection is not required can save 15% or more.

Conclusion

While exact Huijue pricing may vary based on supplier, specificati...
