

Indian hot-dip galvanized cable tray manufacturer

AI Overview

India has several leading manufacturers of hot-dip galvanized cable trays, offering durable, corrosion-resistant solutions for industrial and commercial applications. Key Manufacturers:

- Electrotech Industries** – Based in India, they specialize in hot-dip galvanized (HDG) cable trays made from high-quality galvanized steel and cast iron. Their products, including HDG ladder and trough cable trays, are designed to withstand high temperatures up to 450°C and resist corrosion, making them suitable for heavy-duty industrial sectors.
- ASEFS India** – Offers robust HDG cable trays for industrial, commercial, and infrastructure projects. Their trays are manufactured from premium-grade steel with a uniform zinc coating, providing excellent mechanical strength, corrosion resistance, and long service life. They provide ladder, perforated, and solid-bottom trays tailored for optimal load distribution and ventilation.
- Global Manufacturers** – Located in West Bengal and serving across India, they produce premium-quality HDG cable trays engineered for heavy-duty industrial use. Their trays are customizable in size and design, ensuring easy installation and long-lasting performance. They supply to multiple states including Delhi NCR, Maharashtra, Tamil Nadu, Karnataka, and Gujarat.
- Parmar Industries, Pune** – Specializes in HDG cable trays with strong corrosion protection through immersion in molten zinc. Their products are suitable for outdoor and harsh environments, offering superior durability compared to pre-galvanized or electro-galvanized trays.
- Sai Enterprises, Pune** – Manufactures a wide range of HDG cable trays in various shapes and sizes. They use high-grade raw materials sourced from authentic vendors, ensuring quality and reliability for diverse industrial applications.

Product Types and Benefits:

- Ladder Cable Trays:** Open design for excellent ventilation, ideal for high-power cables and heavy-...
