

Ireland Long-Span Cable Tray Manufacturer

AI Overview

Key manufacturers of long-span cable trays in Ireland include Niedax, Excel Electric Group, and Jeetmull Jaichandlall, all offering customizable and high-quality cable management solutions. Niedax provides a versatile range of cable tray systems suitable for long-span applications. Their RLVC system is particularly popular and can be customized in terms of tray sizes, material thicknesses, and finishes to meet specific project requirements. Niedax also offers a wide selection of fittings and accessories, making it adaptable for industrial, commercial, and large-scale installations in Ireland. Excel Electric Group Based in Bluebell, Dublin, Excel Electric Group specializes in the in-house manufacture of cable support systems for Ireland and the UK. They offer an extensive range of products, including trunking systems and 25 mm cable trays, with over 5,000 articles available. Excel Electric Group focuses on both wholesale and project-based customers, providing customized solutions for long-span cable tray installations. Since 2019, they have been part of the Niedax Group, enhancing their product portfolio and technical support. Jeetmull Jaichandlall Jeetmull Jaichandlall is recognized as one of the top cable tray manufacturers in Ireland, offering wire mesh and metal cable trays in various sizes, shapes, and colors. Their on-site manufacturing facility uses modern equipment and advanced technology to produce high-quality, durable cable trays suitable for heavy loads and long-span applications. They emphasize adherence to industry standards and provide tailored solutions for diverse sectors. Additional Suppliers For broader options, platforms like Goodada list multiple cable tray suppliers, including international manufacturers that export to Ireland. These suppliers offer a variety of cable tray types, including ladder, wire mesh, and single rail systems, which can be...
