

Israeli galvanized cable tray manufacturers produce high-quality products

AI Overview

Top galvanized cable tray manufacturers in Israel include Jeetmull Jaichandlall, Brilltech Engineers, Oron Industrial Cables, and Arrow Control Cables, offering durable, corrosion-resistant solutions for industrial and commercial applications. Key Manufacturers and Suppliers Jeetmull Jaichandlall (P) Ltd. This company is recognized as one of the leading galvanized cable tray manufacturers in Israel. They offer a wide range of trays in various sizes, shapes, and finishes, tailored to industry-specific requirements. Their manufacturing facility uses modern equipment and advanced technology to ensure high-quality products that adhere strictly to industry standards. Their trays are suitable for multiple sectors and are known for durability and excellent finishing. Brilltech Engineers Pvt. Ltd. Brilltech Engineers specializes in galvanized cable trays made from high-grade steel with a hot-dip zinc coating, providing superior corrosion resistance and long-lasting performance. Their trays are perforated for proper ventilation, preventing cable overheating, and are designed for quick installation, making them ideal for power plants, commercial buildings, and industrial projects. They are also exporters and suppliers across Israel. Oron Industrial Cables Oron offers a variety of galvanized mesh trays, including sizes like 50/50, 100/85, and 300/85, with optional covers. Their products are priced per meter and are designed for industrial cable management. While technical specifications may vary, Oron provides support for verifying product details before installation. Arrow Control Cables Ltd. Established in 1988, Arrow Control Cables provides a broad range of cabling solutions and accessories, including galvanized cable trays. They represent...
