

Kenya Low Voltage Cable Tray Manufacturer

AI Overview

Top companies for high-quality low-voltage cable trays in Kenya include Nirmal Fabricators, TDK Solutions Ltd, Prologic Technologies, and Fedi Office Supplies. Leading Manufacturers and Suppliers Nirmal Fabricators specializes in wiremesh cable trays that are locally manufactured in Kenya. Their trays are available in galvanized and powder-coated finishes, with standard sizes ranging from 50 x 50 mm to 300 x 50 mm and a robust 4mm wire thickness. They also offer custom sizes, making them suitable for industrial facilities, commercial buildings, data centers, and telecommunication installations. TDK Solutions Ltd provides a wide range of cable trays including mesh, ladder, perforated, and unperforated systems. Their products are manufactured in Kenya and are designed for commercial and industrial installations, offering durability, corrosion resistance, and effective cable management for power distribution, control, and communication systems. Prologic Technologies supplies various types of cable trays such as ladder, perforated, and solid-bottom trays. They offer materials including galvanized steel, aluminum, stainless steel, and PVC-coated options, catering to different environmental conditions and load requirements. Their trays are ideal for high-rise offices, industrial plants, and areas requiring corrosion-resistant solutions. Fedi Office Supplies offers heavy-duty cable trays suitable for power, data, and communication networks. Their products include ladder, perforated, solid-bottom, and wire mesh trays, designed for durability, ventilation, and long-term reliability. They provide solutions for commercial, industrial, and residential projects across Kenya.

Key Considerations When choosing a low-voltage cable tray supplier in Kenya, consider:

- Material quality:** Galvanized steel, aluminum, or stainless steel for durability.
