

Kuwait Molded Cable Tray Price Inquiry

AI Overview

Molded cable tray prices in Kuwait vary depending on material, type, size, and supplier, with FRP/GRP trays generally costing more than standard steel or PVC trays.

Types of Molded Cable Trays in Kuwait

- FRP/GRP Cable Trays:** Made from glass-reinforced thermoset resins, these trays are fire-resistant, corrosion-resistant, UV-resistant, and electrically insulating, making them ideal for harsh environments where metallic trays may corrode or conduct electricity. They are available in ladder, perforated, and solid-bottom designs and can be customized with bends, tees, reducers, and covers (Alnafaa Group).
- Steel and Stainless Steel Trays:** Commonly used for heavy-duty power distribution, these include ladder, perforated, solid-bottom, and wire mesh trays. They offer high strength and durability but may require anti-corrosion treatment in humid or chemical-prone environments (Altawakol NTT).
- PVC and Mild Steel Trays:** Suitable for light to medium-duty applications, these trays are cost-effective and easy to install, often used in residential or commercial projects (Brilltech Engineers).

Factors Affecting Prices

- Material:** FRP/GRP trays are generally more expensive than PVC or mild steel due to their corrosion resistance and fire-retardant properties.
- Tray Type:** Ladder trays for heavy-duty applications cost more than perforated or wire mesh trays.
- Size and Load Capacity:** Larger trays or those designed to carry heavier cables increase the price.
- Customization:** Special fittings, bends, covers, and accessories add to the overall cost.
- Supplier and Brand:** Premium suppliers like Alnafaa Group, Almeer Industries, and Brilltech Engineers may charge higher prices due to quality assurance and after-sale support.

Suppliers in Kuwait

- Alnafaa Group:** Specializes in FRP/GRP molded cable trays with a wide range of accessories and custom sizes.
- Almeer Industries:** Offers high-quality cable trays for commercial and industrial projects.
- Altawakol NTT:** Provides steel, perforated, ladder, and wire mesh trays with expert consultation.
- Brilltech Engineers:** Supplies PVC, mil...
