

Mauritius Standard Power Distribution Box Manufacturer

AI Overview

Legrand, Electrical.mu, CMH, Numelec, and Switch Distribution are key suppliers of power distribution boxes in Mauritius. Key Suppliers and Manufacturers

1. Electrical.mu Electrical.mu offers a wide range of distribution boxes and enclosures for circuit breakers suitable for residential, commercial, and industrial setups in Mauritius. Their products include Practibox S surface mounting cabinets and Easy9 modular enclosures, with options ranging from 4 to 72 modules per cabinet. These enclosures are designed for safety, durability, and indoor installation, with IP40 protection for closed doors and IP30 for open doors. Legrand products are prominently featured, providing globally recognized quality and a 2-year warranty.
2. CMH CMH provides a complete range of electrical solutions, including distribution boards, power cables, earthing systems, and home automation. They collaborate with world-leading brands, ensuring high-quality products for both construction projects and industrial applications. CMH also offers accessories and installation support for electrical setups.
3. Legrand Mauritius Legrand is a global specialist in electrical infrastructures and offers residential and small commercial panels, including built-in boxes and modular distribution boards. Their products are designed for safety, efficiency, and compliance with international standards, making them a reliable choice for Mauritius-based projects.
4. Numelec Numelec has over 30 years of experience in the electrical industry in Mauritius. They supply durable electrical materials, including distribution boxes, cable management solutions, and accessories. Numelec emphasizes customer support and fast delivery, making it convenient for both residential and industrial clients.
5. Switch Distribution Switch Distribution provides a broad range of electrical, plumbing, and security products, including distribution boxes. They cater to both co...
