

Mongolian electrical distribution box manufacturers

AI Overview

Key manufacturers and suppliers of electrical distribution boxes in Mongolia include Mandakh Duuren LLC, ABB Mongolia, and Hahn Electrical Mongolia. Mandakh Duuren LLC Founded in 2003 and based in Ulaanbaatar, Mandakh Duuren LLC specializes in supplying electrical system products and providing installation services for both low and medium voltage distribution systems (below and above 1000V). They offer UPS systems, power transmission lines, substations, and consultation for renewable and hybrid energy systems, along with technical drawing and project management services, making them a comprehensive provider for industrial, commercial, and residential projects (Mandakh Duuren LLC). ABB Mongolia ABB Mongolia is part of the global ABB network, offering a wide range of low and medium voltage electrical products, including distribution boxes, switchgear, and power management solutions. Their products are designed to meet international standards and are suitable for industrial, commercial, and renewable energy applications. ABB also provides automation, measurement, and analytics solutions, which can enhance the efficiency and safety of electrical distribution systems in Mongolia (ABB Mongolia). Hahn Electrical Mongolia Hahn Electrical Mongolia, based in Ulaanbaatar, focuses on the mining and resource industries. They provide engineering, design, installation, and refurbishment services for substations and medium-voltage distribution systems. Their offerings include stand-alone and full mining charger units, trailing cables, and onsite network solutions, ensuring reliable power distribution for industrial applications (Hahn Electrical Mongolia). Additional Suppliers MyMonSource LLC (MMS) acts as a professional supplier and distributor of electrical products from global manufacturers, serving the mining, construction, and energy sectors in Mongolia.
