

North African Metal Cable Tray Companies

AI Overview

Leading metal cable tray manufacturers in North Africa include El Sewedy Electric (Egypt), Legrand, and regional suppliers like CMG and Sartra, offering a wide range of industrial-grade cable management solutions. Key Manufacturers

El Sewedy Electric (Egypt) El Sewedy Electric is a prominent Egyptian manufacturer serving North Africa and the Middle East. They produce metal cable trays, electrical enclosures, and accessories for energy, infrastructure, and telecommunications projects, adhering to international quality standards suitable for industrial and commercial applications.

Legrand Legrand is a global leader in electrical infrastructure, providing cable trays, raceways, and wiring accessories. Their products are widely used in industrial, commercial, and residential sectors across North Africa, ensuring compliance with regional and international standards.

Hutaib Electrical (South Africa, serving Africa) Hutaib Electrical manufactures a broad range of metal cable trays, including ladder, wire mesh, basket, perforated, and closed (box) types. They also supply accessories such as bends, elbows, tees, and reducers. Their products are available in GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS 202/304/316) finishes, suitable for harsh environments.

Cable Management Group (CMG) CMG specializes in perforated and ladder cable trays for light, medium, and heavy-duty installations. They provide cold-formed metal framing and combination channels, along with complementary cable management products like conduits, cable glands, and electrical fixings, serving industrial and commercial markets across Africa.

Sartra Sartra supplies galvanized steel cable trays and conduits for domestic, commercial, and industrial applications. They offer a wide range of trunking products, wiring accessories, and power distribution units, consolidating multiple manufacturers' pro...
