

PB105 distribution box dimensions

AI Overview

The PB105 distribution box has outside dimensions of approximately 10.88" x 5.5" x 5" and inside dimensions of 10.25" x 4.375" x 4.75".

Detailed Specifications

Outside Dimensions: 10.88 inches (length) x 5.5 inches (width) x 5 inches (height)

Inside Dimensions: 10.25 inches (length) x 4.375 inches (width) x 4.75 inches (height)

Material: High-performance polypropylene, durable for industrial and warehouse use

Load Capacity: Up to 30 lbs

Color Options: Red, Blue, Gray, Green, Yellow, Clear

Features: Hopper front with curved design for easy part retrieval
Wide stacking ridge for secure stacking
Large front label slot for barcodes or ID cards
Optional length dividers available to organize contents

Usage: The PB105 bins are designed for secure storage of small parts in industrial assembly, stockrooms, warehouses, healthcare, and hardware merchandising. They can hang on rails, louvered panels, storage cabinets, bin carts, or wall cabinets, making them versatile for various organizational setups. These dimensions and features make the PB105 suitable for efficient space utilization while providing easy access to stored items. Optional dividers allow customization of compartment sizes to fit different parts or components.
