

Pakistan Main Distribution Box Manufacturer

AI Overview

Key manufacturers of main distribution boxes in Pakistan include H&B Engineering, Alfazal Industry, Hero Electric, and Tariq Electric, offering a range of customized and industrial-grade electrical panels. Leading Manufacturers H&B Engineering is a trusted supplier of electric panels and distribution boxes across Pakistan, providing Main Distribution Boards (MDBs), Sub Main Distribution Boards (SMDBs), Final Distribution Boards (FDBs), junction boxes, and custom enclosures for residential, commercial, and industrial applications. They emphasize safety, efficiency, and compliance with modern electrical standards. Alfazal Industry manufactures indoor and outdoor electrical panels, including LT panels, motor control panels, LV panels, start-delta and DOL junction boxes, and solar DC/AC combiner panels. They use high-quality components from brands like Siemens, Schneider, ABB, and Terasaki, and offer cost-effective solutions for Karachi, Lahore, and Islamabad. Hero Pak Electrical Industries (Hero Electric) is ISO 9001-2000 certified and has been producing electrical accessories since 1974. They provide a wide range of distribution boxes with a strong dealer network across Pakistan, emphasizing quality, R&D, and customer-driven designs. Tariq Electric (Pvt) Ltd specializes in medium and low voltage switchgear, panel boards, and motor control centers, with over 30 years of experience in industrial electrical distribution. They also offer project management services for large-scale installations. C Power offers waterproof and durable distribution boxes suitable for residential, commercial, and industrial use, ensuring protection against water, dust, and electrical hazards. Considerations for Selection When choosing a manufacturer in Pakistan, consider: Compliance with NEPRA and IEC standards for safety and reliability. Customization capabilities for specific industrial or automation...
