

## Peruvian Indoor Cable Tray Manufacturer

### AI Overview

Brilltech Engineers and Cable House are leading manufacturers of indoor cable trays in Peru, offering durable, customizable, and standards-compliant solutions. Key Manufacturers in Peru:

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent cable tray manufacturer and supplier in Peru, specializing in indoor and industrial cable management solutions. Their products include perforated, ladder, and galvanized cable trays, made from high-quality materials such as galvanized steel, stainless steel, and fiberglass. These trays are designed to protect cables from physical damage, dust, and environmental hazards, while promoting air circulation to prevent overheating. Brilltech also offers customization options for size, dimensions, and material, along with installation support and system design assistance.
2. Cable House Established in 1983, Cable House is recognized for manufacturing a wide range of cable trays and related products in Peru. They provide customized solutions for indoor cable management, ensuring high durability, reliable performance, and long service life. Cable House also supplies complementary products like hose clamps, cable ties, and crimping tools, making them a versatile supplier for industrial and commercial projects.
3. Sai Cable Trays Although not specifically Peru-based, Sai Cable Trays offers indoor and industrial cable trays suitable for Peruvian projects. Their products feature corrosion-resistant, powder-coated finishes, and include G.I. ladder and perforated trays, designed for easy installation, cost efficiency, and robust performance in various industrial environments.

**Considerations for Choosing a Manufacturer**

- Material and Durability:** Ensure the trays are made from galvanized steel, stainless steel, or fiberglass for long-term performance.
- Customization:** Look for manufacturers that can tailor tray dimensions, load capacity, and design to your project needs.
- Compliance:** Verify adherence to local and international standards for safety and quality.
- Support Services:** Manufacturers offering installation guidance, s...
