

Price of Low-Voltage Cabling Trays in South Africa

AI Overview

Low-voltage cabling trays in South Africa typically range from around ZAR 150 to ZAR 1,200 per meter, depending on type, material, and size.

Overview of Pricing

Light-Duty Pre-Galvanised Cable Trays: These are commonly used for small-scale installations and office setups. Prices generally start at ZAR 150–300 per meter for standard widths and lengths, with variations depending on supplier and galvanisation quality (Advanced Strut).

Wire Mesh Cable Trays: Popular for industrial and commercial applications, wire mesh trays offer flexibility and ventilation. Prices typically range from ZAR 400–1,000 per meter, depending on width, height, and load capacity (Liteglo).

PVC or Plastic Cable Trays: Used in environments requiring corrosion resistance, these trays are priced around ZAR 200–600 per meter, with smaller under-desk trays available for home or office use at ZAR 150–250 (Ceiling Power Pole).

Accessories and Fittings: Bends, couplers, and brackets are sold separately, usually costing ZAR 50–200 per piece, depending on size and material (Online Electrical, The Cable Manager).

Supplier Options

Online Electrical: Offers a wide range of cable trays and accessories with online ordering and delivery across South Africa.

Liteglo: Specialises in wire mesh cable trays with competitive pricing and fast delivery.

Ceiling Power Pole: Provides PVC trays, under-desk baskets, and power skirting, with a detailed price list available online.

Advanced Strut: Supplies light-duty pre-galvanised trays suitable for smaller installations.

The Cable Manager: Offers a comprehensive selection of cable trays, ladders, and accessories for industrial and commercial projects.

Considerations

Prices vary based on tray width, height, material, and load rating. Bulk orders or long lengths may attract discounts. Delivery costs may apply depending on location within South Africa. For precise pricing, it is recommen...
