

Price of concealed electrical box for intelligent system

AI Overview

Concealed electrical boxes for intelligent systems typically range from ₹13 to ₹15 per piece in India, with prices varying based on material, size, and brand.

Price Overview

IndiaMART Suppliers: Entry-level metal concealed boxes start at ₹13–₹14 per piece, with slightly higher prices for premium or larger models.

Alibaba Listings: Prices vary widely depending on material (plastic, aluminum, stainless steel), size, and customization options. Bulk orders often reduce per-unit cost.

Amazon and International Retailers: Smart electrical boxes designed for intelligent systems may cost more due to added features like modular compatibility, EMI shielding, or IP-rated protection.

Material and Series Impact on Price

Metal Boxes: Durable, corrosion-resistant, and suitable for concrete wall embedding. Prices are slightly higher than plastic boxes due to strength and longevity.

Plastic Boxes: Lightweight and cost-effective, ideal for smaller devices or low-stress installations.

Series Options: Some manufacturers offer Eco Series (0.8mm galvanized) and Elite Series (1.0mm GPSP) with enhanced corrosion resistance, which can influence pricing.

Features Affecting Cost

Ingress Protection (IP) Ratings: Higher IP ratings for dust and water resistance increase cost.

Thermal Management: Ventilation or cooling features for intelligent systems may add to the price.

Modularity and Compatibility: Boxes compatible with popular modular systems like Anchor, Legrand, Schneider, or GM may be priced higher due to precise engineering.

Security and EMI Shielding: Lockable doors and electromagnetic interference protection can also affect pricing.

Buying Tips

Bulk Orders: Ordering in larger quantities can significantly reduce per-unit cost.

Supplier Verification: Ensure ISI certification or CE/RoHS compliance for safety and quality.

Customization: For intelligent systems, consider boxes with cable management, m...
