

Price of electrical distribution boxes for factories in Botswana

AI Overview

Electrical distribution boxes for industrial use in Botswana typically range from BWP 1,500 to BWP 5,000 or more, depending on voltage, amperage, and customization options. Typical Options and Pricing

Standard 110V 32A Distribution Box Designed for factories and workshops with heavy machinery. Equipped with NEMA 5-20 and NEMA L14-30 outlets and built-in circuit breakers for overload protection. Price: Available online at Ubuy Botswana, generally in the range of BWP 1,500–2,500 depending on features and shipping.

Low Voltage Customizable Distribution Boxes Suitable for industrial or data center environments. Can be customized for specific voltage, amperage, and high-temperature resistance. Bulk orders and customization may increase the price, typically BWP 3,000–5,000+ per unit depending on specifications.

Ready Boards and Pre-Wired Low Voltage Boards Portable, pre-wired, and safe for semi-permanent industrial setups. Optional MCBs and RCBOs for circuit protection. Prices vary based on the number of outlets and protective features, generally BWP 2,000–4,000.

Local Suppliers in Botswana

- Electrical Distributors, Gaborone:** Supplies industrial and domestic electrical hardware, including distribution boxes, to factories, parastatals, and government entities.
- Builders Mart:** Offers meter boxes and distribution boards suitable for industrial applications.
- Ubuy Botswana:** Online platform providing ready-to-use distribution boxes for industrial use.

Considerations for Factories

- Voltage and Amperage:** Ensure the box matches factory machinery requirements.
- Circuit Protection:** Built-in breakers or RCBOs are essential for safety.
- Customization:** For high-demand or specialized industrial setups, custom low-voltage boxes may be necessary.
- Bulk Orders:** Prices can be reduced when ordering multiple units.
