

Price of electrical distribution boxes in Angola

AI Overview

Electrical distribution boxes in Angola typically range from \$50 to \$200 USD for small to medium units, with prices varying by type, capacity, and supplier.

Types and Pricing

Small Ready Boards / Low Voltage Distribution Boxes
Example: RB21 Ready Board with 2 sockets and 1 lighting lamp, suitable for residential or small commercial use.
Price: Approximately \$50–\$80 USD per unit, depending on shipping and import fees.

Junction Boxes and Weatherproof Enclosures
Example: IP66-rated ABS plastic junction boxes (100x68x50mm) for indoor/outdoor use.
Price: Around \$60–\$100 USD, including international shipping and customs clearance.

Medium and Large Distribution Boards
Used for commercial or industrial construction sites, often pre-wired with MCBs or MCCBs.
Price: Can range from \$150–\$200 USD or more, depending on the number of circuits, voltage rating, and brand (Schneider Electric, ABB, Siemens) available through specialized suppliers in Angola.

Suppliers and Procurement

PHOE Electric: Supplies MCBs, MCCBs, distribution boards, and other electrical components to Luanda and Port of Luanda, with full technical submittals and certificates of origin for Angola inspection authorities.

Hydro'Mont: Offers medium and low voltage distribution systems for residential, commercial, and industrial projects, including EPC solutions and rural electrification.

Ubuy Angola: Provides online access to various electrical boxes, conduits, and fittings suitable for construction projects.

Desertcart Angola: Offers waterproof and flame-retardant junction boxes with delivery to Angola, including customs clearance.

Considerations

Shipping and Import Duties: Prices often include international shipping, import duties, and local delivery charges, which can significantly affect the final cost.

Certifications: Ensure that distribution boxes comply with local electrical c...
