

Price quote for FTTH optical fiber distribution boxes in France

AI Overview

FTTH distribution boxes in France are available from multiple suppliers, with prices typically provided upon request or through wholesale accounts. Suppliers and Options Exertis Connect Exertis Connect is a specialized distributor of fiber optic hardware in France. They offer a range of FTTH distribution boxes and provide 24-hour account opening for access to their price list, allowing you to request a quote directly online. OTRANS OTRANS supplies 1-24 core fiber distribution boxes and ODF cabinets for indoor and outdoor FTTX deployment. Their boxes are IP65 rated, made from durable ABS+PC materials, and suitable for wall, pole, or cabinet mounting. Wholesale quotes are available upon inquiry, and they provide guidance for selecting the right model based on fiber core capacity and deployment environment. Premium-Line Premium-Line offers FTTH distribution boxes with 4, 8, 16, 24, 36, or 48 ports, supporting direct termination or mini-splitter configurations. These boxes are designed for multi-purpose FTTH applications and maintain IP protection before and after installation. Pricing is typically available by contacting the supplier directly. Considerations for France Compliance: Ensure the boxes meet ARCEP standards for French FTTH installations, which guarantee proper signal integrity and protection against moisture and physical damage. Port Capacity: Choose boxes based on the number of subscribers or fiber strands to be terminated (common options: 4-48 ports). Indoor vs Outdoor: Outdoor boxes require higher IP ratings (e.g., IP65) for weather resistance, while indoor boxes focus on compact design and easy wall mounting. Bulk Orders: Many suppliers sell in sets (e.g., 20 or 40 pieces) rather than individually, which is common for professional FTTH deployments. How to Obtain a Price Quote Contact suppliers directly via their websites or sales departments. Exerti...
