

Procurement of Galvanized Cable Trays in Nepal

AI Overview

Galvanized cable trays in Nepal are available from multiple local and international suppliers, offering durable, corrosion-resistant solutions for industrial, commercial, and residential applications. Key Suppliers and Manufacturers

Kiash Electricals Based in Kolkata, Kiash Electricals supplies hot-dip galvanized cable trays to Nepal, designed for high load capacity, long lifespan, and low maintenance. Their trays are suitable for indoor and outdoor installations, resistant to rain, heat, and humidity, and comply with global quality standards. They offer fast delivery and protected shipping to Nepal, making them a reliable choice for large-scale projects.

Super Cable Tray Pvt. Ltd. Operating in Nepal, this company provides perforated, ladder, and raceway cable trays. Their galvanized trays are corrosion-resistant, facilitate easy cable maintenance, and are widely used in factories, hospitals, airports, and commercial spaces. They have been supplying high-quality trays at factory prices since 1986, making them a trusted local supplier.

Cable Tray Company Nepal Offers a variety of GI basket trays, ladder trays, and perforated trays in multiple sizes and finishes, including pre-galvanized, powder-coated, painted, and hot-dip galvanized as per IS standards. They also provide accessories and standard lengths of 2500mm, catering to IT, industrial, and commercial installations.

Brilltech Engineers and Other Local Manufacturers Companies like Brilltech Engineers provide hot-dip galvanized steel trays with perforated designs for ventilation and heat dissipation. Their trays are designed for quick installation, durability, and efficient cable management in harsh environments.

Jeetmull Jaichandlall (P) Ltd. Offers customizable galvanized cable trays in various sizes, shapes, and configurations. Their trays are highly durable, resistant to impact and deformation, and suitable for construction, agriculture, mini...
