

Recommended manufacturers of cable tray tees

AI Overview

Top manufacturers of cable tray tees include Metsec, Atkore International, Armorduct Systems, and leading European brands like Niedax, Spina Group, and Legrand. Key Manufacturers Metsec offers a wide range of cable tray tees and crossovers, including equal and unequal tees for light, medium, and heavy-duty systems. Their products are available in mild steel (pre-galvanised or hot-dip galvanised) and stainless steel (grade 1.4404/316L), with widths ranging from 50mm to 900mm. They also provide closed and ventilated covers for all tees and crossovers. Atkore International is a global supplier of cable management systems, including standard and custom roll-formed cable trays. They provide galvanized, stainless steel, and fiberglass options, catering to diverse industrial and construction needs. Armorduct Systems Ltd is a UK-based manufacturer specializing in steel cable management systems, including cable trays, trunking, and bespoke solutions. They offer both standard and custom designs manufactured in-house. European Manufacturers: Niedax Group (Germany): Extensive range of cable trays and support systems for construction, energy, and transportation sectors. Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty industrial applications. Legrand (France): Offers the Cablofil wire mesh trays, known for easy installation and adaptability. Considerations for Selection Material and Finish: Choose based on environmental conditions—mild steel for general use, hot-dip galvanised for corrosion resistance, and stainless steel for highly corrosive environments. Load Capacity: Ensure the manufacturer provides options suitable for light, medium, or heavy-duty applications. Customization: Some manufacturers, like Atkore and Armorduct, offer bespoke solutions to meet specific project requirements. Compliance: European manufacturers often adhere to EN 615...
