

Recommended suppliers of complete electrical distribution boxes in North Asia

AI Overview

Top suppliers in North Asia include DOHO, GEYA, Himel, and Zhejiang B&J Electrical, offering certified, high-quality distribution boxes for industrial and commercial applications. Leading Suppliers DOHO Electric DOHO is a major Chinese manufacturer providing both standard and custom distribution boxes for industries such as solar, wind, data centers, communications, and new energy vehicles. They offer OEM/ODM services, adhere to ISO 9001, 14001, and OHSAS 18001 standards, and their products are certified by UL, CSA, TUV, and CE. DOHO has a strong R&D team capable of developing tailored solutions and maintains full in-house production and testing facilities for quality assurance . GEYA GEYA specializes in power distribution boxes with maximum voltages up to 600 VAC, main circuit breakers up to 1200 A, and branch circuit breakers up to 250 A. Their enclosures include 12 or 3R types, designed for safety and efficiency, and are certified to international standards. GEYA products are suitable for industrial, commercial, and residential applications . Himel Himel offers durable distribution boxes designed to ensure safety for appliances and equipment. Their products comply with international safety standards and are widely used in industrial and commercial settings. Himel focuses on long-lasting performance and reliability . Zhejiang B&J Electrical Co., Ltd. With over 25 years of experience, Zhejiang B&J Electrical produces wall-mounted, floor-standing, stainless steel, and plastic distribution boxes. They specialize in waterproof enclosures rated IP66, IP67, and IP68, and their products are TUV and CE certified. The company serves clients across North Asia, the Asia-Pacific, and globally, providing both standard and custom solutions . Additional Options PowerBox Factory Offers a range of PDUs, distribution boxes, racks, panels, adapters, and splitters, compliant with safety...
