

Slovakian PTFE optical cable equipment

AI Overview

Slovakia hosts several specialized fiber optic equipment suppliers capable of providing PTFE or custom optical cable solutions for harsh environments. Key Slovakian Suppliers

SYLEX SYLEX is a leading manufacturer of high-quality optical interconnect solutions, including MTP® harnesses and PRIZM® assemblies. They offer both high-volume and custom-tailored fiber optic equipment suitable for telecom and datacom applications, which can include PTFE-coated or ruggedized cables.

PROFiber Networking CZ s.r.o. This company specializes in fiber optic equipment, including fiber welding machines, calibration, and testing services. They also provide professional training programs through their Fiber Optics Academy, emphasizing both theoretical and practical skills, which is valuable for handling PTFE or specialized optical cables.

SKB-GROUP SKB-GROUP manufactures a wide range of highly flexible and industrial-grade cables, producing over 30,000 km annually. Their focus on innovation and testing ensures precision in cable solutions, making them suitable for PTFE or harsh-environment optical applications.

Keline Keline specializes in structured cabling systems, including optical cabling, and offers components that meet international standards. Their products support high-speed digital signal transmission, which is compatible with PTFE-coated fiber optic cables.

Optolab Solutions Based in Bratislava, Optolab Solutions focuses on fiber optic connectors, assemblies, and custom fiber optic products designed for harsh environments. Their expertise makes them a strong candidate for PTFE optical cable solutions.

Considerations for PTFE Optical Cables

Durability: PTFE coatings provide chemical resistance, high-temperature tolerance, and mechanical protection, making them ideal for industrial or outdoor fiber optic applications.

Customization: Many Slovakian suppliers, such as SYLEX and Optolab, offer custom assemblies, allowing PTFE jackets or coatings to be applied according to specific environmental requirements.

Article Content

Fiber Optic Cable Manufacturers

The leading Fiber Optic Cable Manufacturers in Slovakia are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs,

Slovakia sells fiber optic cables at high prices

Slovakia operates within a global optical fiber cables market characterized by concentrated production and consumption. The country's imports were led by Poland, Germany. High-quality fiber cables,

PTFE cable material

PTFE is a robust fluoropolymer that's often used for cable insulation and sheathing. Learn more about this material and its uses here.

Polytetrafluoroethylene (PTFE) Newest Fiber Optic Cable Assemblies

Polytetrafluoroethylene (PTFE) Fiber Optic Cable Assemblies are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Polytetrafluoroethylene (PTFE) Fiber

Fiber optic cable manufacturer, fiber optic cable company

FiberTech Optica manufactures fiber optic cables for harsh environments, resistant to heat, pressure, and severe industrial conditions. Contact us!

Ptfe Companies And Suppliers In Slovakia | Environmental XPRT

A member of the AMETEK Materials Analysis Division, SPECTRO is one of the worldwide leading suppliers of analytical instruments, employing optical emission and X-ray fluorescence spectrometry

Fiber Optical Cable Suppliers from Slovakia

Access 194 verified Fiber Optical Cable Suppliers in Slovakia with shipment-level prices, volumes, routes, buyer networks, and verified decision-maker contacts — all backed by bills-of-lading.

Sylex Fiber Optics

SYLEX is a world-class original design manufacturer of high quality optical interconnect solutions and fiber optic sensors and sensing systems.

Optical manufacturing equipment Foss AS

Optical manufacturing equipment For more than 20 years Seikoh Giken and the Foss group have had a close cooperation within the fibre optical arena. Seikoh Giken Co. Ltd is well-known and

Sylex Fiber Optics

Sylex is a worldclass original design developer of firstclass optical interconnection equipment. Interconnections and Sensors solutions.

Slovakia's Optical Fiber Cables Market Report 2026

Slovakia operates within a global optical fiber cables market characterized by concentrated production and consumption. From 2020 to 2024, the Slovak market was shaped by

Slovakia's Optical Fibers and Bundles Market Report 2026

What are the leading importers of optical fibers, bundles and cables from Slovakia? In value terms, Germany remains the key foreign market for optical fibers, bundles and cables exports

Top Fiber Optic Cable Manufacturing Companies in Slovakia

Discover all relevant Fiber Optic Cable Manufacturing Companies in Slovakia, including SYLEX s.r.o. and PROFiber Networking

Slovakia

Exports of Optical Fibers, Bundles and Cables Exports from Slovakia In 2025, shipments abroad of optical fibers, bundles and cables increased by X% to X tons for the first time since 2021,

Companies

Imports of equipment, tools, optical devices and implants for ophthalmology, selling appliances and devices for gastroenterology, dermatology and aesthetic surgery, gynecology and

Hdpe Optical Cables And Accessories

Urad pre verejne obstaravanie Slovakia has Released a tender for Hdpe Optical Cables And Accessories - Common Procurement - Pci in Energy, Power and Electrical.

GMP-Slovakia: Drums for cables for infrastructures

GMP-Slovakia: Drums for cables for infrastructures. GMP Slovakia is worldwide leader in the production of metal reels, take apart reels, handling equipments for reels and coils and it is

OPTOLAB| Home

Optolab Solutions is a high experienced supplier in fiber optics based in Bratislava Slovakia with a focus on fiber optic connectors, assemblies and custom fiber optic products for use in harsh environments.
