

Sri Lanka Fireproof Cable Tray Brands

AI Overview

Bianco, C&D Electrical, and CEYLEKTRA are among the top fireproof cable tray manufacturers in Sri Lanka, offering durable, corrosion-resistant, and standards-compliant solutions. Leading Manufacturers Bianco is highly regarded for its wide range of cable management solutions, including fireproof and corrosion-resistant trays made from mild steel, stainless steel, and aluminum. Their products are suitable for both indoor and outdoor use, providing robust protection in industrial and commercial environments. Bianco trays are customizable and designed to meet diverse project requirements, ensuring safety and long-term performance. C&D Electrical offers high-quality cable trays and accessories with a focus on flexibility and durability. Their products are suitable for power generation, telecommunications, and construction sectors. C&D Electrical also provides customization options for size and material, making their trays adaptable for fire-resistant applications. CEYLEKTRA specializes in hot-dip galvanized and powder-coated cable trays that comply with international standards such as EN 61537 and EN ISO 1461. These trays provide excellent mechanical strength, corrosion resistance, and long-term durability, making them ideal for industrial and commercial fireproof cable management. GERSAN also manufactures hot-dip galvanized and powder-coated cable trays with strong mechanical properties and corrosion resistance, suitable for harsh environments and fire-resistant installations. Electro Metal Pressings (EMP) produces a wide range of cable management systems, including cable trays, ladders, and fire cabinets. EMP is known for supplying solutions for large-scale projects and turnkey installations, ensuring compliance with safety and fire-resistance standards. Key Considerations When selecting a fireproof cable tray manufacturer in Sri Lanka, consider: Material and Coating: Steel, stainless steel, or aluminum with hot-dip galvanization or powder coating for fire and corrosion resistance. Compliance: Adher...
