

Stainless Steel Cable Tray Supplier in the USA

AI Overview

Several U.S.-based manufacturers specialize in custom stainless steel cable trays, offering design, fabrication, and delivery services for industrial and commercial applications. Leading Manufacturers

- 1. SILTEC** SILTEC provides stainless steel cable trays designed for industrial, office, and food industry applications. Their trays are gentle on cables and tubes, meeting stringent hygiene standards. SILTEC has over 30 years of experience and operates a modern automated plant, ensuring high-quality production, flexibility, and reliable delivery. They also focus on continuous product development and customer service for custom cable routing solutions.
- 2. Atkore - US Tray** US Tray, a division of Atkore, manufactures made-to-order cable trays built to NEMA standards and UL certified. They offer a variety of tray types, including welded mesh, I-beam, and C-channel trays, all made in the USA. Their products emphasize airflow, dust protection, and easy installation, with custom configurations available to meet specific project requirements.
- 3. Potentzen Pro** Potentzen Pro designs and produces durable stainless steel cable trays, wire mesh systems, and ladder trays for commercial and industrial facilities. They provide pre-engineered modular components for rapid installation, custom configurations tailored to project layouts, and UL-listed components for safety compliance. Strategic warehouse locations across the U.S. enable fast shipping, often within two business days.
- 4. ThomasNet-Listed Manufacturers** Several other U.S. manufacturers offer custom stainless steel cable trays with capabilities such as cutting, bending, welding, and finishing (powder coating, galvanizing, or plating). Notable companies include Modular Container Systems, MetalFab Group, Regal Research & MFG Co., and Power Engineering Co., serving industries from construction to aerospace and utilities.
