

Stainless steel cable tray manufacturers near Syria

AI Overview

Leading Syrian manufacturers of stainless steel cable trays include Al Ashoury Cable Trays and Cable House, offering durable, high-quality solutions for industrial and commercial applications.

Key Manufacturers

- 1. Al Ashoury Cable Trays** Al Ashoury is a pioneering cable tray manufacturer in Syria, known for its advanced technology, precision engineering, and durable stainless steel products. Their factory produces a wide range of cable tray systems designed for harsh industrial environments, emphasizing reliability, safety, and bespoke solutions tailored to client needs. They serve both domestic and international projects, including large-scale infrastructure developments.
- 2. Cable House** Cable House is recognized as one of the leading cable tray manufacturers and exporters in Syria. They utilize graded raw materials and modern manufacturing technologies to produce stainless steel cable trays with high durability, long operating life, and compliance with industry standards. Their products are suitable for various industrial sectors, and they offer competitive pricing for bulk orders.

Product Features

Material Grades: Stainless steel (commonly 304 and 316) for corrosion resistance and hygienic applications.

Tray Types: Ladder, perforated, solid-bottom, and custom designs for different cable densities and industrial requirements.

Durability: Designed for long-term use in indoor and outdoor environments, including food processing, refineries, and commercial buildings.

Customization: Many manufacturers provide bespoke solutions, including special coatings, widths, and load capacities to meet project specifications.

Sourcing and Export Syrian manufacturers like Cable House and Al Ashoury are capable of exporting globally, leveraging their experience and networks to fulfill international orders. B2B platforms also list verified Syrian stainless steel cable tray suppliers, all...
