

UAE Molded Cable Tray Processing Price

AI Overview

The price of molded cable trays in the UAE varies widely depending on material, size, and processing, typically ranging from AED 50 to AED 400 per meter for standard industrial options.

Factors Affecting Price

Material Type: Molded cable trays can be made from galvanized steel, stainless steel, aluminum, or powder-coated steel. Stainless steel and hot-dip galvanized trays are more expensive due to corrosion resistance and durability.

Tray Type and Design: Ladder trays, perforated trays, solid-bottom trays, and trunking trays have different manufacturing complexities. Ladder and heavy-duty trays cost more due to higher load-bearing capacity.

Processing and Coating: Powder coating, hot-dip galvanization, and precision molding increase the cost. Powder-coated trays offer aesthetic and corrosion protection, while hot-dip galvanized trays are ideal for harsh outdoor environments.

Size and Dimensions: Wider or thicker trays designed for heavy cable loads are priced higher. Standard widths range from 50 mm to 450 mm, with heavy-duty trays at the upper end.

Accessories and Fittings: Bends, junctions, reducers, and covers add to the total cost. Complete systems with accessories are more expensive but simplify installation.

Typical Price Ranges in UAE

- Standard GI or steel molded trays: AED 50–150 per meter
- Powder-coated or perforated trays: AED 120–250 per meter
- Stainless steel or heavy-duty trays: AED 250–400 per meter

Accessories (bends, junctions, reducers): AED 30–100 per piece depending on size and material.

Suppliers in UAE

- Ruwais Steel:** Offers steel, pre-galvanized, and HDG cable trays with ISO-certified quality control.
- Bonn Group / BonnGulf:** Provides GI, stainless steel, and aluminum trays with full accessory sets for industrial and commercial projects.
- Emerald Steel Industries:** Supplies hot-dip galvanized, powder-coated, and stainless steel trays from Ajman.
- Other notable suppliers:** Al Ruwais Metal and Steel Factory LLC, Abdulla Najim Electrical Appliances Co SP LLC, and Bonn Metals Construction Industries LLC.
