

West African Fiber Distribution Box Manufacturing Company

Overview

Short for West Africa Packaging, Wapack Industries, is one of the largest automated cartons manufacturers in the francophone region comprising of Benin, Togo, Niger and Burkina Faso. According to recent industry reports, Africa's fiber optic market is projected to grow at a compound annual growth rate (CAGR) of over 12% from 2025 to 2030, driven by surging demand for broadband, e-commerce, remote education, telemedicine, and smart cities. This growth is fueled by major. A fiber FTTH indoor cable is a compact, flexible cable for indoor use, connecting telecom networks within homes or offices. With a lightweight, flame-retardant sheath, it allows easy installation in interior spaces, providing stable, high-speed data transmission. From Nigeria's national broadband plan to Kenya's digital superhighway and South Africa's accelerating FTTH rollouts, telecom operators across the continent are deploying fiber infrastructure at an unprecedented pace. From start to finish we focus on what's best for you and with a bit of excellence, perfection and thought, we create something way beyond any corrugated product. We create a brand, a look. West African Group (WAG) is a division of West African International (Pty) Ltd (WAI), a leading reseller and distributor of Polymer, Rubber, Fillers and Specialised Chemicals.
