

What does JDAL in the distribution box represent

Overview

The JDAL is the position management file of the JDAMIS that the CJCS manages. Joint matters relate to “the achievement of unified action by integrated military forces (planning or execution) in land/sea/air operations—or the information environment. ” Only permanent JDA positions, where an officer gains significant experience in joint matters, may be designated as JDAL. This instruction implements Department of Defense (DoD) policy and provides guidance for the effective management of general/flag officer (GO/FO) actions involving joint duty assignments (JDAs) or positions of importance and responsibility per title 10, U. Code and DoD policy and directives. These acronyms are used by the United States Army, Navy, Air Force, and Marine Corps. The Joint Duty Assignment List.
