

Where to return fiber optic cable boxes

Overview

This guide lists every free option in the US, UK and Canada — from retailer drop-off bins (Best Buy, Staples, Home Depot) to certified recyclers, mail-in programs and municipal collection events. We update accepted-items lists every month. If you cancel your service, change your plan, or move to an area that is not yet eligible for Gfiber internet yet, you will have 60 days to return your devices. " Fiber is glass + plastics + strength members, and it often shows up on bulky spools—so it needs the right route, not a random scrap bin. In this guide, you'll learn what fiber cable actually is, what's inside, how to prep scrap and. Important: When disconnecting service, to avoid an unreturned equipment charge, you must return all your Verizon Fios equipment within 30 days of your service disconnection date. We'll let you. Follow these 4 easy steps for returning all other equipment. Make a copy of your Optimum bill, or simply write your name, address and account. If you've made a change to your services, you may be required to return equipment back to Frontier. Equipment can be returned through two methods: Do you need to return unused or extra equipment?

Starting a return is easy! Please chat with us to begin. Not Sure ABOUT WHAT GOES WHERE?

VISIT SANJOSERECYCLES.org has over 300 searchable items.
